Unified Bylaw: The Town has contracted with the regional planning commission, TRORC, to draft a simple unified bylaw for the Town. This bylaw draft will cover both zoning and subdivision and is meant to address common land use issues. The draft language will be crafted over several months at open monthly Planning Commission meetings, and the kick-off meeting will be January 7 at 6:30 PM at Damon Hall as noted above. This kick-off meeting will lay out the basic goals and process for this project, and answer any questions the public may have. The public is invited to come and learn about this project, and hear about ways to participate. For more information on this project, please contact Kevin Geiger at kgeiger@trorc.org public.
